

CYNDI BURKHARDT | PROGRAMS DIRECTOR

Cyndi Burkhardt is the program director for the Hoosier Oncology Group. She is a registered nurse with over 20 years of healthcare experience in hospital, clinic, and research settings. While in research, she has been a clinical coordinator at a large community oncology practice before coming to the Hoosier Oncology Group.

Since Cyndi joined the Hoosier Oncology Group she has been involved in Site Monitoring, Site Verification visits, Clinical Project Management and Patient Advocacy.

Cyndi is also actively involved in site engagement, enhancing communication between Hoosier Oncology Group research sites and Hoosier Oncology Group staff, coordinating and disseminating organizational information to the general public, media, and allied organizations, and facilitating the Patient Advocacy program with participant institutions.

As Program Director, Cyndi's primary focus is overseeing HOG research projects and developing new program initiatives.
